ABOUT

Aspiring frontend developer learning modern web technologies - HTML, CSS, JavaScript, React and TypeScript - and building real projects with AI-assisted development tools.

EDUCATION

Bachelor of Social Science (BSS) in Sociology
Government Rajendra College, National University, Bangladesh
Expected graduation: 2026

SKILLS

HTML5 & CSS3, JavaScript (ES6+), React, TypeScript, Tailwind CSS, Node.js, Git & GitHub, Responsive Design, AI Coding Tools.

PROJECTS

Personal Portfolio Website - responsive, animated, built with React + Tailwind.
(More projects coming soon - see my GitHub.)

PLACEHOLDER CV - replace this file with your real CV and update src/data/profile.ts in the portfolio project.
